"THE HAWAIIAN REVOLUTION."

A Few of the Contents of This
Most Interesting Work.

The work on the "Hawaiian Revolution" is going ahead rapidly. The patron list is a strong one, headed by President Dole. It will contain, among other things, the following articles: Professor Alexander's histories of the reigns of Kalakaua and Liliuokalani, brief histories of the Revolution of 1893 and the Provisional Government to date, the correspondence between President Dole and Minister Willis, Thurston's protest in Washington and his statement of the Hawaiian case, President Dole's specifications, Senator Morgan's report, and the Senate's action on the Hawaiian matter.

The price of the book will not exceed sixty cents and will probably be only half a dollar. It will have an elaborate fancy cover, and will be a work that will be a handsome and necessary addition to every library.

Optim at the Settlement.

A letter from R. W. Meyer, the superintendent of the leper settlement, was read at the meeting of the Board of Health yesterday, stating that there had been two packages of opium found at the settlement, that had evidently been smuggled in. The authorities are working on the case. Mr. Meyer also reported that two lepers had escaped but had been captured at Kaunakakai.

A SUNDAY BAND CONCERT BILL IN.

The Councils Get Down to Work on the Salaries and Pay Roll Bill—The Recommendations of the Executive Prevalent—Grading the Salaries.

The Councils were called to order at 1:35 yesterday, President Dole in the chair.

Present: Ministers Hatch, King, Damon and Smith; Councillors Ena, Waterhouse, Allen, Emmeluth, Mendonca, Wilder, Smith, Bolte, Morgan, Nott, Suhr and Tenney.

The minutes of the preceding meeting were read and approved.

PETITIONS.

The Attorney-General presented a petition from Kalaupapa, asking for a general post office there.

Referred to Finance Committee.

Minister Hatch presented a resolution from the Schuetzen Club, opposing Japanese suffrage.

Tabled for consideration whenever the matter should arise.

The same Minister presented a petition from the Hawaiian Evangelical Association opposing Sunday band concerts, and protesting against Sunday shooting.

Tabled for consideration with any bill on the subject.

The President stated that the Government had nothing whatever to do with the Sunday shooting.

Minister Damon presented the Weekly Financial Statement.

The report was received and placed on file.

REPORTS.

Mr. Tenney reported for the Committee on Chinese legislation, presenting a substitute bill, which had been printed and distributed to all the members of the committee.

The minority, consisting of Messrs. Emmeluth and Smith, recommended striking out the provision regarding domestic service.

Report was tabled for consideration with the bill.

RESOLUTIONS.

Minister Hatch presented for the judiciary committee a report and bill providing for the holding of Sunday band concerts.

Mr. Waterhouse moved the bill be tabled for consideration by a more representative body. Lost.

The bill took the usual course.

D. B. Smith moved the petition regarding duty on alcohol be taken from the table and referred to a special committee. Carried.

The bill was referred to the same committee as before, with the addition of D. B. Smith.

Salary of First Associate Justice, \$10,000. Passed.

Salary of Second Associate Justice, \$10,000. Passed.

Salary of Clerk of Judiciary, \$5400. The Attorney-General stated that this was one of the first reductions. It was based on the grading system. There had been a correspondence with the Court on this subject. The Attorney-General read a letter from the Court opposing the reduction from \$5400 to \$2500 a month, and setting forth with much force the responsibilities of the chief clerk, and the merits of the present incumbent, Henry Smith. A letter from Mr. Smith himself was also read.

Minister Damon opposed the contention. This Government paid already higher salaries than any other. Very few clerks in business houses got more than \$200 a month. It was not pleasant to cut down salaries but it was a necessity to retrench.

Mr. Allen appreciated everything which the Minister said, but there were exceptions to all rules. The clerk gave a high bond and his salary should be fixed accordingly. He moved the item pass at \$3000.

Mr. Damon said the position was no more responsible than that of the assessor for Honolulu.

Mr. Morgan asked if the clerk did not get fees outside.

The Attorney-General said he got them occasionally only.

Mr. Emmeluth opposed any reduction of particular salaries. All should be reduced alike.

The Attorney-General said the proposition of Mr. Emmeluth to scale down all salaries equally had been made before, but it was not a wise

thing to do. It had been proposed in the Legislature of 1892 and abandoned. The proposed reductions in this salary bill would introduce equality and uniformity. The heads of bureaus should have more than the clerks of departments.

The motion to pass it at \$3000 a year was lost.

Passed as in the bill.
